

YOUR JOURNEY TO HEALTHY AGING!

Immunocal Platinum everything you need for **healthy aging**. Immunocal Platinum contains all the natural goodness of Immunocal, and two additional components, Cytokine Modulating Peptides (CMP)[™] and Redox Modulating Formula (RMF)[™].

Whey Protein Isolate

Redox Modulating Formula (RMF)[™]

Includes a proprietary blend of naturally occurring citrate minerals, which act to lower acidity levels in the body*

Cytokine Modulating Peptides (CMP)[™]

Cytokines are small biologically active proteins used to coordinate the body's immune response*

Immunocal benefits:

- 1.- Helps to **strengthen your immune system**, preventing disease and infections.
- 2.- **Detoxifies the body**.
- 3.- **Protects against oxidative stress**
- 4.- Helps **build and repair body tissues and build antibodies**

Immunocal benefits PLUS:

- 1.- **Controls inflammation***
- 2.- **Strengthens bones and prevents calcium loss***
- 3.- **Supports healthy kidney function***
- 4.- **Lowers acidity levels in the body***

MEDICINAL INGREDIENTS PER POUCH

Whey Protein Isolate (from cow's milk)	10 g
Creatine (Monohydrate)	400 mg
Potassium (Citrate Monohydrate, Whey Protein Isolate)	195 mg
Calcium (Citrate, Whey Protein Isolate)	132 mg
Magnesium (Citrate, Whey Protein Isolate)	78 mg

NON-MEDICINAL INGREDIENTS

Citric Acid Monohydrate, Sodium Citrate.

How to use

Add 30 ml (1oz.) of your favorite beverage on the Immunotec shaker cup.

Shake the pouch so the powder settles to the bottom, then tear along the top to open and empty the powder into the shaker cup.

Secure the cover on the Shaker cup, shake thoroughly for about 15 seconds. Add more liquid if desired and enjoy!

You can also enjoy Immunocal mixed with our Booster Reds and Greens and Booster Energy performance.

Features:
