**MEDICINAL INGREDIENT PER POUCH**  
 Whey Protein Isolate (from cow's milk) ..... 10 g

### How to use

Add 30 ml (1oz.) of your favorite beverage on the Immunotec shaker cup.

Shake the pouch so the powder settles to the bottom, then tear along the top to open and empty the powder into the shaker cup.

Secure the cover on the Shaker cup, shake thoroughly for about 15 seconds. Add more liquid if desired and enjoy!

You can also enjoy Immunocal mixed with our Booster Reds and W and Booster Energy performance.

### Features:

Paraben Free

Lactose Free

Sugar Free

Gluten Free
